

Equipment Specialist

Class Scheduled Upon Request
Minimum 2 Students

*Owning your own dive equipment is not for the faint of wallet..
But you can protect your investment with the knowledge obtained in the
PADI Equipment Specialist Course!!*

Whether it's a regulator problem, a wet suit tear or a broken mask strap, the Equipment Specialist Course can help. This Specialty course prepares you for the basic maintenance, care and adjustments you'll encounter every day. In addition, you'll get the valuable background on equipment repair and purchase.

During your PADI Equipment Specialist program, you'll familiarize yourself with the operation and maintenance of your personal equipment. Your instructor might also provide the opportunity to review new or unfamiliar dive equipment. The program is not an equipment repair program but it does give you:

- Theory, principles and operation of dive equipment
- Routine recommended care and maintenance procedures
- Common problems with equipment and recommended professional maintenance procedures
- Simple suggestions for comfortable equipment configurations and an introduction to new equipment

Academics Included: Equipment Specialist Touch - Independent study to be completed before the start of the class

Prerequisites: You must be a certified PADI Open Water Diver or Junior Open Water Diver (age 10) or the Equivalent

Course Fee: \$159.00
