2016 Boat Dive Trips

The "Gypsy Blood" is a 50' Evans Custom dive boat based out of Manasquan Inlet in Point Pleasant. Designed by divers for divers, it has two heads, a fresh water wash down and plenty of room for more than 16 divers and all their equipment and a smooth 20+ knot cruise. See this website for more info on the boat, etc. www.gypsyblooddive.com.

There will be experienced divers, divemasters and instructors on board to assist you through your Jersey diving experiences.

Requirements for all dives: Pony Bottle or redundant air supply, audible signaling device, up line that can be secured at depth and long enough to reach surface, lift bag or surface marker and a strobe light. Divers must be AOW certified or taking an AOW course under instructor supervision.

Intro To Jersey Diving
